BOAT SALES
LAKELAND LEISURE ESTATES

Description

Barely Awake is a beautifully presented and well-equipped 60ft cruiser stern narrowboat built by Liverpool Boat Builders in 2007. Featuring a sought-after reverse layout and quality oak fit-out throughout, this attractive vessel offers comfortable accommodation for up to six people, making it ideal for extended cruising, family holidays, or full-time living aboard. The boat benefits from cratch and pram covers in excellent condition, providing valuable additional weather protection and versatile outdoor living space.

Entering from the cruiser stern, the well-appointed galley offers excellent storage with under-counter cupboards, a dedicated microwave cupboard, a tall hanging cupboard for coats, and an electrical cupboard housing a 1800W Sterling inverter. The boat is fitted with a Victron-managed solar charging system, solar-powered hot water system, and galvanic isolator, providing impressive off-grid capability. A freestanding oven and fridge with icebox complete this practical and stylish kitchen area.

Moving forward, the Pullman dinette provides a comfortable dining space and conveniently converts into a double berth, with useful storage beneath the seating. The spacious saloon is both welcoming and cosy, featuring a multifuel stove, fitted cabinetry, a television mounted on a bracket, and a two-seater sofa bed, creating an ideal area for relaxing or entertaining guests.

The bathroom is fitted with a quadrant shower, Thetford cassette toilet with a recently replaced toilet seat, and a wash basin with built-in vanity unit. An overhead mirrored cabinet provides additional storage while maintaining a bright and practical space.

The master bedroom is located towards the bow and features a fixed double bed with generous storage beneath, overhead cabinets, and reading lights. Ample storage is provided by two wardrobes with hanging space and three drawers, making the cabin well suited for longer stays aboard. Doors lead directly out to the bow, enhancing the sense of space and connection to the outdoors.

Powered by a reliable Isuzu 42hp four-cylinder diesel engine paired with a PRM 150 gearbox and keel-cooled system, Barely Awake offers dependable cruising performance. Combining a high-quality interior finish, practical layout, excellent onboard systems, and accommodation for six, this charming narrowboat represents an excellent opportunity for anyone looking to enjoy life on the waterways in comfort and style.
