BOAT SALES

LAKELAND LEISURE ESTATES

Description

Step aboard Desidireta, a 39ft x 12ft widebeam cruiser designed to offer a seamless blend of comfort, style, and functionality. Built in 1979, this timeless vessel has been thoughtfully maintained and updated, making it an ideal home on the water. The open-plan layout connects the lounge, kitchen, and dining areas, all set against the backdrop of engineered oak flooring that adds a touch of warmth and sophistication. A coal wood burner with a hotplate creates a cosy atmosphere, perfect for relaxing after a day of cruising. The front of the boat features expansive 180-degree windows, inviting natural light to flood the interior while offering stunning views of your surroundings. Beneath these windows, a spacious seating area provides both comfort and practicality, with integrated storage to keep your living space tidy and organised.

The galley is a compact yet efficient space, thoughtfully designed to maximise functionality without sacrificing style. Equipped with a 2-ring LPG gas hob, it allows for convenient meal preparation, whether you're cooking a quick breakfast or an elaborate dinner. A built-in fridge ensures your perishables are kept fresh, while the sink with a drainer makes clean-up easy. The undercounter cabinets and shelving offer ample storage for all your kitchen essentials, keeping the space organised and clutter-free. With its clever design and efficient use of space, the galley ensures you have everything you need at your fingertips, making it a pleasure to prepare meals onboard.

The lounge area is the heart of Desidireta, a large, open-plan space that invites relaxation and socialising. The engineered oak flooring adds an element of elegance, while the multi-fuel stove with a hotplate provides both warmth and a charming focal point. The space is equipped with 240v and 12v sockets, ensuring your devices stay charged and ready for use. The captain's wheel and chair are a nod to the boat's nautical heritage, offering a unique spot to take in the view or navigate your journey. With its spacious layout and thoughtful details, the lounge is a versatile area perfect for both entertaining guests and enjoying quiet moments on the water.

The dinette area is designed to make the most of the surrounding views, featuring 108-degree windows that flood the space with natural light. The U-shaped seating arrangement is not only comfortable but also practical, with storage compartments built in beneath the seats to keep your essentials within easy reach. A 240v socket is conveniently located for powering appliances or charging devices while you dine or relax. This inviting space is perfect for enjoying meals, playing games, or simply soaking in the scenery as you cruise.

Retreat to the master bedroom, a sanctuary of comfort and style. The double bed is designed with built-in storage underneath, providing a smart solution for keeping your belongings organised. The room is equipped with both 240v and 12v sockets, allowing you to charge your devices or power appliances with ease. Four sets of built-in drawers offer ample space for clothing and personal items, while a dedicated shoe rack keeps footwear neatly stored away. The built-in wardrobe provides additional storage, ensuring everything has its place. The oak flooring extends into the bedroom, creating a cohesive look and adding a touch of warmth to the space. This master bedroom is a well-appointed retreat where you can unwind after a day of adventures on the water.

Discover the charm of Desidireta, a 39ft x 12ft widebeam cruiser crafted for comfort and style. This beautifully maintained 1979 vessel offers an open-plan layout that seamlessly blends living, dining, and kitchen spaces. With engineered oak flooring, a cosy coal wood burner, and panoramic windows, it's the perfect retreat on the water.
