BOAT SALES

LAKELAND LEISURE ESTATES

Description

Built by Brummagem Boat in 1990, Naira is a 61ft traditional stern narrowboat with a practical and comfortable layout, designed for both liveaboard and cruising lifestyles. With berths for 2 + 2, she offers flexible accommodation and a homely charm throughout. The layout runs from stern to bow: Engine Room, Galley, Lounge, Dining Area, Bathroom, and Bedroom.

Stepping into the boat, you'll find the engine room leading into a generous galley. The galley is well-equipped with a gas cooker featuring an oven, grill, and four-ring hob, complemented by ample storage and laminate worktops incorporating the sink and taps. A Morso gas water heater, newly fitted in 2015, ensures reliable hot water. Between the galley and engine room is a useful area that works perfectly as a utility or additional storage space.

The spacious lounge is the heart of the boat, centred around a Morso Squirrel multi-fuel stove that provides warmth throughout the cabin. There is plenty of room for a dining table with stools, along with two comfortable lounge chairs, making it a welcoming and versatile living space.

Adjacent to the lounge, the dinette offers an "L"-shaped seating area with a table that easily converts into a double berth, ideal for hosting guests.

Towards the bow, the bedroom provides a fixed double bed with wardrobe, shelving, and a wall cupboard for storage. The well deck views from this space create a bright and pleasant start to the day.

The bathroom is neatly designed and comes fitted with a cassette toilet, hip shower/bath, and a wash hand basin with storage beneath.

Naira is ready to step aboard and enjoy immediately, requiring nothing but her new owners and their belongings.
